Subject: 2/8 Presentation Materials - Exposure

Bruce,
Attached please find:
1) A revised agenda for the 2/8 presentation to Urs Nyffeler, and

2) Timelines for your presentation as indicated in Loreen's e-mail of 1/17.

As indicated in Loreen's note, these timelines should form the basis of your presentation. If would like to include additional slides you are free to do so, however, I will need a draft copy of any additional materials by close of business on **Monday, 2/5** so that we can obtain clearance from Legal.

If you have any questions, please let me or Loreen know.

Thanks,
Valerie
